

1 Gallon Dual-Seal[®] All-Plastic Round Paint Can

Features

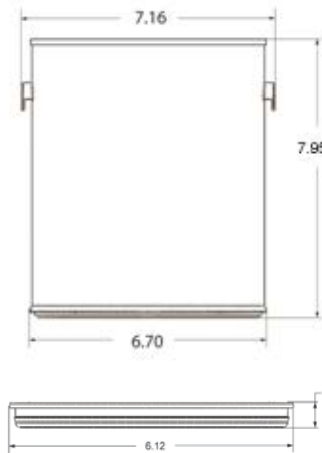

- Patented Dual-Seal[®] U-Channel compression locking system provides an air-tight seal, excellent drop strength and security against leakage
- Superior all-plastic design eliminates dents and corrosion
- Excellent performance for packaging paint and coatings
- Unique lid design prevents spray back when resealing
- Standard 1-gallon size is fill line and shaker machine compatible
- Optional proprietary surface treatment prevents skinning of low VOC water-based paints
- Offset print capability on lid
- 100% recyclable
